Welcome

We have created this media kit to help you market Presidential Billiard products on your social media platforms, which will hopefully help increase your sales.

This year one of our objectives is to create beautiful photography of all our products in gorgeous room settings. We will constantly be updating our website with these images as well as posting them on social media. We will make sure to add them to the DropBox folder so that you are able to share them too.

Here is the a link to the Dropbox folders with all the images you will find in the following pages: [Dropbox Link](#)

We will be updating this on a regular basis, so please check in again soon.

Please tag us when doing your posts or stories:

Collections

Presidential Billiards has a variety of Game Room Collections that are designed to complement your décor. Our collections are built with a selection of accompanying furnishings so that you can have a complete game room package or select only the pieces that you want to feature in your game room. All of our furniture is built to provide a lifetime of enjoyment for your family.

Carmel

An elegant trestle-style table with a naturally distressed, weathered oak finish.

Carter

The Carter collection will look elegant in homes with contemporary or traditional designs.

Cleveland

An eye-catching rustic collection complemented by classic dark wood creating an elegant upmarket look and feel.

Grant

A contemporary collection for the discerning entertainer. This collection takes center stage in any games room.

Hamilton

Timeless elegance in a solid wood table with a rich espresso finish.

Kariba

A traditional design enhanced by a rustic style and a rich, charcoal brown finish.

Pierce

A contemporary table set off by bold stainless-steel legs and offered in your choice of natural walnut or oak finish.

Reagan

The sweeping arc of the legs gives this table an elegance that will look stunning in any home.

Silverton

A rustic barn-door style made modern with a sophisticated gray finish and metal accents on the corners and stretchers.

Tyler

Clean lines and a rustic oak finish combine in a simple yet stunning mid-century modern design.

Vienna

A bold statement with sleek industrial design in a silver oak finish.
