Quality, Craftsmanship, Memories.

Presidential Billiards is proud to create pool tables and game room furnishings designed and built to provide a lifetime of style and enjoyment.

From entry-level models to heirloom-quality furnishings that feature exotic hardwoods and hand carving, **our pool tables set the standard for playability and performance.** All Presidential products feature top-grade materials, quality construction, unique designs and a lifetime warranty.

Founded in 1999 and based just north of Houston in New Caney, Texas, Presidential Billiards draws on more than half a century of manufacturing experience of Zimbabwe-based Wilson International. United through a family ownership that spans two generations, these companies showcase the incomparable benefits of vertical integration across two continents. By manufacturing much of our furniture in Zimbabwe in family-owned factories, we are able to ensure the highest-possible quality and gain unparalleled access to **hand-crafted exotic woods sourced from renewable resources and international fair-trade artisans.** As the exclusive wholesale distributor, we offer top-of-the-line products at prices that represent exceptional value for our network of trusted retailers and customers.

Dealer Policy
& Warranty

DEALER REQUIREMENTS

We require dealers to display a range of our pool tables and game room furniture in each of their stores and on their company website to qualify as an authorized dealer. Annual wholesale sales volume of \$75,000 is required to be listed as an authorized dealer. Presidential Billiards will not drop ship into an authorized dealer’s territory.

SHIPPING

All orders are palletized and tendered to the freight company in good condition. All pallets are photographed prior to being shrink wrapped and loaded on the truck. Orders are shipped F.O.B our New Caney, TX warehouse. Freight quotes with multiple carriers are done prior to the order shipping and the least expensive is selected, unless you specify which company you wish to ship with.

RECEIPT OF PRODUCT

Dealers are required to open and inspect the product on arrival. If the shipment appears to be damaged the dealer must indicate this on the bill of lading and take photographs of the pallets prior to disassembling them. Please be aware that there may be hidden damage as a result of shock and stress. If this is not done, then any replacement parts will be at the expense of the dealer. If at all possible, please do not refuse the shipment when the product arrives damaged as it often looks worse than it is. It is easier to replace components than to replace a full shipment when time is an issue. If there is freight damage to the product then photographs of the damaged components must accompany the request for replacement parts. We recommend that the replacement parts ship out with another order to minimize further freight damage.

SHORTAGES

Please verify the quantity of boxes received equals the quantity of boxes according to your packing list. If there is a discrepancy, please notify us immediately.

DROP-SHIPMENTS

Presidential Billiards will not drop ship into another dealers’ territory. We will only drop ship if we do not have a stocking dealer in the area. All drop shipments will incur a 7% (minimum \$50) handling charge.
